What is Our Carbon County Bail Bonds Process?

In order to get your loved one out **ASAP**, [follow these easy steps](#):

1. **Contact one our agents** and *provide the full, legal name of the accused, the location where he/she is being held* (if you know such), and the person's *birth date*;
2. If *at least 18 years old*, **arrange to meet the bail agent at the carbon county jail** in question with the full amount (**10% of the set bail**) in hand;

3. Our Bad Boys Bail Bonds agent will bail your loved one out.

Why You Should Use a Bail Bondsman

Bail agents don't just *provide the funds that free people*, they also help *expedite the process, find where the defendant is being held*, determine *what the bail amount is* set at (if one has been set), *simplify the process*, and *alleviate fears, confusion and stress*.

Just like jails on the job 24/7, 365 days a year, Bad Boys Bail Bonds exists for this focused purpose:

1. To *reduce chances for complications* (including being assaulted) that can occur while incarcerated;
2. To *put you in a better position to establish your innocence* or, *if guilty, to improve chances of getting a fair trial/adjudication*;
3. To *allay fears & answer questions*;
4. And to *bring families together* after incarceration.

Types of Bails We Help With:

In general, Bad Boys Bail Bonds can help with **any** criminal arrest/proceeding where bail has been set at a specific amount.

Qualifying crimes include *most felonies* (and, in rare cases where a signature is not enough for the courts, *misdemeanor offenses*), *including DUIs, drug possession, domestic violence, theft, homicide*, and other crimes that can lead to incarceration.

What You Should Know about Bail Bonds

To encourage defendants to show up for proceedings, *courts may demand* that “**bail**” (i.e., *a bond, cash or property*) be put up on behalf of the defendant *as sort of a “guarantee.”* Since *bail can sometimes be unaffordable, bail bonds agents will guarantee the full amount if the defendant agrees to pay a non-refundable small percentage (10%) thereof.*

Bail agents not only help meet an otherwise unbearable burden but they also put themselves at risk, *if the defendant fails to show up for court dates, commits other crimes, intimidates witnesses/victims, or flees to avoid prosecution.*

In such cases, the full bail must be paid. Regardless of who assumes this responsibility, the courts can keep the full amount.
